arjun@email.com | 9876543210

Objective

Aspiring AI/ML engineer passionate about solving real-world problems using data-driven approaches.

Education

B.Tech in Computer Science, XYZ Engineering College (2021–2025), CGPA: 8.5

Skills

Python, Java, Machine Learning, Pandas, NumPy, SQL

Projects

- Student Performance Predictor (ML model using regression)
- Movie Recommendation System (collaborative filtering)
- Spam Email Classifier (NLP + Naive Bayes)

Achievements

Solved 300+ problems on LeetCode, Certified in Machine Learning (Coursera)
