ABOUT ME

Aspiring Software Engineer with a solid foundation in Java, Python, C, and Data Structures. Currently pursuing a B.Tech in IT, driven by a passion for building scalable applications and solving complex problems. Seeking a Software Engineering internship to gain practical industry experience and contribute to impactful projects.

EDUCATION

2024 – 2028	B.Tech in Information Technology <i>Sri Sairam Engineering College</i> CGPA: 9.23
2023 – 2024	Higher Secondary Education (HSC) <i>Velammal Matriculation Senior Secondary School</i> Percentage:93.98%
2021 – 2022	Secondary Education (SSLC) <i>Velammal Matriculation Senior Secondary School</i> Percentage:97.80%

PROJECTS

Smart Sense

TEAM LEADER

Designed a multi-source energy harvesting system to capture waste energy from computer usage. Integrated thermoelectric generators (TEGs) to convert laptop heat via the Seebeck effect, piezoelectric sensors to harvest energy from keyboard typing, and a micro-generator for mouse movement. Implemented a rectifier circuit for DC conversion and a capacitor-based storage system to power auxiliary components such as LED indicators and wireless peripherals.

Mini CRM

Developed a full-stack CRM web application using the MERN stack, featuring complete CRUD functionality for customer data management. Designed RESTful APIs, integrated MongoDB with Mongoose ODM, and developed a responsive React frontend with Vite and Axios for seamless client-server communication.

INTERNSHIPS

Full Stack Web Development-Future Interns

- Built and deployed two MERN stack applications: A responsive portfolio and a feature-complete Mini CRM with CRUD functionality.
- Developed RESTful APIs, integrated MongoDB with Mongoose, and managed frontend-backend communication using Axios.
- Strengthened skills in React, Node.js, Express, Git, and full-stack application architecture.

SKILLS

- | | | |
|--------------------|-------------------|-----------------------|
| • Java Programming | • C Programming | • Python (Basics) |
| • MongoDB(Basics) | • HTML | • CSS |
| • AI Tools | • Problem-Solving | • Communication Skill |

CERTIFICATES

- Fundamentals of C++ - Scaler
- MongoDB Basics- MongoDB
- TCS iON Career Edge - Young Professional
- Java (Basics)-HackerRank
- Artificial Intelligence-Infosys
